🪪 DNI: 37246155 🪙 Intended gross salary: US$150 - US$300

Throughout my career I've acquired valuable experiences primarily in customer service and retail sales that helped me polish my interpersonal and comunication skills.

Currently, having graduated from a bootcamp at Henry, i've dedicated to perfecting my knowledge in programming on creating user-friendly interfaces and providing a wide range of user options using agile methodologies.

Additionally, I gained experience in database modeling, register and login authentication, use and creation of APIs, payment gateway implementation, web deployment and version control.
